

REMARKS/ARGUMENTS

In the Notice of Non-Complaint Amendment Under 37 CFR 1.121 mailed August 30, 2004, the Examiner has requested, a complete listing of all the claims be presented. The Notice also indicates that claims have not been provided with the proper status identifier.

In response to the rejection, Applicant has undertaken to correct Claims 8, 9 and 10 to show the entire language of the withdrawn claims. The original language for the withdrawn claims was presented when the application was filed on January 10, 2002. Claims 8-10 were withdrawn on March 11, 2004 in response to a restriction requirement.

Applicant submits that the Amendment is now in proper form for further consideration and allowance. If the Examiner requires any additional information, the Examiner is invited to contact Applicant's attorney at the address and phone number shown below.

Respectfully submitted,
